

## **CCMGA TOURNAMENT FORMATS**

### **ABCD Hotball Scramble**

Each hole will have two scores – a “hotball” score and a scramble score. One player will play his own ball from tee to hole, and the other 3 players will play a scramble format. The hotball player will be rotated in a determined order such that the hotball player on hole 1 will also be the hotball player on holes 5, 9, 13 and 17 (i.e., every 4 holes). The 3 scramble players hit shots, decide which one to play, and then all play from that position and continue in this manner until the ball is holed. The scramble score and the hotball score are combined for the team score. ABCD means that there will be a player from each flight on each team.

### **ABCD Two Best Ball of Foursome**

Flighted stroke play where the combined 2 best scores for each hole is the team score with both Gross and Net winners. ABCD means that there will be a player from each flight on each team.

### **Better Ball (Two Person)**

Flighted stroke play where the team score on each hole is the one best score (gross and net) of the two team members.

### **Four Man Better Ball (1-2-3 Tournament)**

Flighted stroke play where the team score on each hole is a best score (gross and net) based on sets of six holes. For the first six holes, the team score is the lowest one score of the four team members. For the middle six holes, the team score is the sum of the two lowest scores of the four team members. For the final six holes, the team score is the sum of the three lowest scores of the four team members.

### **Club Championship**
